### 3. TERM:

- A. Primary Term: The primary term of this lease begins and ends as follows:

Commencement Date: 12:00pm noon, on *INSERT LEASE START CUSTOM FIELD*

Expiration Date: 12:00pm noon, on *INSERT LEASE END CUSTOM FIELD*

- B. Delay of Occupancy: Tenant must occupy the Property within 5 days after the Commencement Date. If Tenant is unable to occupy the Property by the 5th day after the Commencement Date because of construction on the Property or a prior tenant's holding over of the Property, Tenant may terminate this lease by giving written notice to Landlord before the Property becomes available to be occupied by Tenant, and Landlord will refund to Tenant the security deposit and any rent paid. Landlord will abate rent on a daily basis for a delay caused by construction or a prior tenants holding over. This paragraph does not apply to any delay in occupancy caused by cleaning, repairs, or make-ready items.
- C. If Tenant decides to renew this lease for 12 months or longer, this lease shall be renewed with a **rent increase between 2%-5% more than the monthly rent outlined in Paragraph 5A**, as determined in the sole discretion of Landlord.

### 4. AUTOMATIC RENEWAL AND NOTICE OF TERMINATION:

This lease automatically renews on a month-to-month basis with an initial rent increase and/or a month-to-month monthly fee of 20% of the monthly rent due immediately prior to the expiration of the Primary Term, unless Landlord or Tenant provides the other party written notice of termination as provided in Paragraph 4A. During a month-to-month tenancy, the landlord may increase rent at any time with a written 30-day notice to the tenant. All notices of termination shall be provided in writing. Oral notice of termination is not sufficient under any circumstances. Time is of the essence for providing notice of termination (strict compliance with dates by which notice must be provided is required). The date on which rent is due does not apply to the requirement for providing written notice of termination.

This lease automatically renews on a month-to-month basis unless Landlord or Tenant provides the other party written notice of termination not less than 60 days before the Expiration Date.

If Landlord or Tenant fails to provide the other party timely written notice of termination as required by this paragraph, the lease automatically renews on a month-to-month basis. The Landlord or Tenant then must provide a subsequent written notice of termination as required below.

If this lease automatically renews on a month-to-month basis, it will continue to renew on a month-to-month basis until either party provides written notice of termination to the other party and the notice of termination will be effective the date designated in the notice but not sooner than 60 days after the notice is given and, if necessary, rent will be prorated on a daily basis.

### 5. RENT:

- A. Monthly Rent: See the Monthly Charges Table on Page 1 for specific amounts. Tenant will pay Landlord the monthly rent amount for each full month during this lease including the resident benefit fee (see Landlords Rules & Regulations for more details of the Resident Benefit Package).

If the Commencement Date occurs on or after the twentieth (20th) day of the month, then the initial rent payment due at move-in will include the prorated rent for the initial month in addition to the full month's rent for the subsequent month. The first full month's rent is due and payable not later than the Commencement Date by cashier's check, electronic payment, money order, or other

means acceptable to Landlord. Thereafter, Tenant will pay the monthly rent so that Landlord receives the monthly rent in advance on or before the first day of each month during this lease. Weekends, holidays, and mail delays do not excuse Tenant's obligation to timely pay rent.

- B. Prorated Rent: Tenant will pay Landlord the prorated rent in the Monthly Charges Table on Page 1 from the Commencement Date through the last day of the month in which this lease begins, on or before: *INSERT PRORATED RENT DUE DATE*
- C. Place of Payment: Unless this lease provides otherwise, Tenant will remit all amounts due to Landlord under this lease to the following person or entity at the place stated and make all payments payable to the named person or entity. Landlord may later designate, in writing, another person or place to which Tenant must remit amounts due under this lease.
1. Name: Emerson Property Management
  2. Address: All payments other than the security deposit and the first month's rent are to be made through the resident portal. The tenant will be provided a link to set up the online portal once the lease is signed.
  3. Notice: Place the Property address and Tenant's name on all payments.
- D. Method of Payment:
1. Tenant must pay all rent timely and without demand, deduction, or offset, except as permitted by law or this lease.
  2. Time is of the essence for the payment of rent (strict compliance with rental due dates is required).
  3. Unless the parties agree otherwise, Tenant may not pay rent in cash and will pay all rent by either electronic payment or such other means acceptable to Landlord. Landlord may charge a reasonable fee to process or accept payment by cashier's check, electronic payment, money order, personal check or other means acceptable to Landlord.
  4. A \$100.00 Administrative Fee is applied to payments made through the mail or deposited in Emerson Property Management's bank account including checks, money orders, etc. This is not applicable to security deposits and/or move-in funds required to be paid in advance of the initial move in date.
  5. Landlord does not require Tenant(s) to pay monthly rents by one payment.
  6. If Tenant fails to timely pay any amounts due under this lease or if any check of Tenant is not honored by the institution on which it was drawn, Landlord may require Tenant to pay such amount and any subsequent amounts under this lease in certified funds. This paragraph does not limit Landlord from seeking other remedies under this lease for Tenant's failure to make timely payments with good funds.
- E. Rent Increases: There will be no rent increases through the primary term. Landlord may increase the rent that will be paid during any month-to-month renewal period by providing at least 30 days written notice to Tenant.

## 6. LATE CHARGES:

- A. If Landlord does not actually receive a rent payment in the full amount at the designated place of payment by the 3rd day of each month at 11:59pm, Tenant will pay Landlord for each late payment:
1. an initial late charge equal to lower of 12% of one month's rent and the highest amount permitted by applicable law.
  2. additional late charges of \$0.00 thereafter until rent and late charges are paid in full. Additional late charges for any one payment may not exceed more than 30 days.
  3. Notice: §92.019, Property Code prohibits assessing a late fee until rent has remained unpaid for at least two full days after the date on which the rent is due.
- B. For the purposes of paying rent and any late charges, the mailbox is not the agent for receipt for Landlord (the postmark date is not the date Landlord receives the payment). The parties agree that

the late charge is based on a reasonable estimate of uncertain damages to the Landlord that are incapable of precise calculation and result from late payment of rent. Landlord's acceptance of a late charge does not waive Landlord's right to exercise remedies under Paragraph 27.

#### 7. RETURNED PAYMENT:

Tenant will pay Landlord \$100.00 for each payment Tenant tenders to Landlord which is returned or not honored by the institution on which it is drawn for any reason, plus any late charges until Landlord receives payment. Tenant must make any returned payment good by paying such amount(s) plus any associated charges in certified funds.

#### 8. APPLICATION OF FUNDS:

Regardless of any notation on a payment, Landlord may apply funds received from Tenant first to any non-rent obligations of Tenant, including but not limited to, late charges, returned payment charges, repairs, brokerage fees, periodic utilities, animal charges, and then to rent.

#### 9. ANIMALS:

- A. Unless the parties agree otherwise in writing, Tenant may not permit, even temporarily, any animal on the Property (including but not limited to any mammal, reptile, bird, fish, rodent, or insect).
- B. If Tenant violates this Paragraph 9 or any agreement to keep an animal on the Property, Landlord may take all or any of the following action:
  1. declare Tenant to be in default of this lease and exercise Landlord's remedies under Paragraph 27
  2. charge Tenant, as additional rent, an initial amount of \$250.00 and \$25.00 per day thereafter per animal for each day Tenant violates the animal restrictions
  3. remove or cause to be removed any unauthorized animal and deliver it to appropriate local authorities by providing at least 24-hour written notice to Tenant of Landlord's intention to remove the unauthorized animal and
  4. charge to Tenant the Landlord's cost to:
    - a. remove any unauthorized animal
    - b. exterminate the Property for fleas and other insects
    - c. clean and deodorize the Property's carpets and drapes and
    - d. repair any damage to the Property caused by the unauthorized animal.
- C. When taking any action under Paragraph 9B Landlord will not be liable for any harm, injury, death, or sickness to any animal.

#### 10. SECURITY DEPOSIT:

- A. Security Deposit: On or before execution of this lease, Tenant will pay the security deposit amount listed in the Monthly Charges Table on Page 1 to Landlord by any of the following methods: cashier's check, electronic payment, money order, personal check or other means acceptable to Landlord. "Security deposit" has the meaning assigned to that term in §92.102, Property Code. Any additional deposits Tenant pays to Landlord will become part of the security deposit.

- B. Interest: No interest or income will be paid to Tenant on the security deposit. Landlord may place the security deposit in an interest-bearing or income-producing account and any interest or income earned will be paid to Landlord or Landlord's representative.
- C. Refund: Tenant must give Landlord at least thirty (30) days written notice of surrender and the mailing address where the security deposit is to be refunded before Landlord is obligated to account for or refund the security deposit. Any refund of the security deposit will be made payable to all Tenants named in this lease.

A Notices about Security Deposits:

1. §92.108, Property Code provides that a tenant may not withhold payment of any portion of the last month's rent on grounds that the security deposit is security for unpaid rent.
2. Bad faith violations of §92.108 may subject a tenant to liability up to 3 times the rent wrongfully withheld and the landlord's reasonable attorney's fees.
3. The Property Code does not obligate a landlord to return or account for the security deposit until the tenant surrenders the Property and gives the landlord a written statement of the tenant's forwarding address, after which the landlord has 30 days in which to account.
4. **"Surrender"** is defined in Paragraph 16 of this lease.
5. One may view the Texas Property Code at the Texas Legislature's website which is <http://www.statutes.legis.state.tx.us>
